

K-3 Rainy Day Worksheet

Look at the forecast for this week - draw a picture of the daily weather:

Monday	Tuesday	Wednesday	Thursday	Friday

Which day do you think will get the most rain?_____

Which day do you think will get the least rain?_____

How much rain (in inches) do you predict will fall over the week after looking at the forecast?_____

Check the rain gauge daily and record how much rain you see:

Monday	Tuesday	Wednesday	Thursday	Friday
_____ inches	_____ inches	_____ inches	_____ inches	_____ inches

At the end of the week, add up the daily rainfall and find the total:

_____ + _____ + _____ + _____ + _____ = _____ inches

Was your prediction correct? Why or why not?_____

What could rain water be used for if you collected it?_____
